Meat deliveries that meet all of the criteria in one of the above categories will receive the penalty indicated for that category. Premiums or penalties are based on net good meat pounds. Deliveries exceeding the maximum of any quality attribute will be subject to special handling charges.

Excess Moisture

Deliveries in excess of 5% meat moisture are subject to a weight reduction covering the percentage of moisture in excess of 5% and paragraph 4 of the Purchase Agreement.
If accepted, any delivery with a moisture percentage of 5.01% or more may be assessed a dehydration charge per gross delivered pound.

Dissimilar Varieties

All deliveries containing an excess of 10% dissimilar varieties will be classified and paid as a Mixed variety.

Special Handling

If accepted, any delivery with the following types of characteristics may have additional charges assessed:

1. External decay, mold or soft kernel with stain.
2. Positive test for Aflatoxin or Salmonella.
3. All deliveries with glass, metal or other foreign material.
4. Rain stained or water damaged kernels.
5. Objectional flavor or odor.
6. Dirty meats or stick tights.
7. Concealed damage.
